VISION

We aspire to put “cryptocurrency in every portfolio.” We envision a world where wealth-building strategies that were once only accessible to affluent individuals become available to everyone, transferring the power over our financial systems back to the people. Play & like is going to create a revolutionary ecosystem to bring more people into digital assets, helping to maintain their privacy, security, power, and autonomy. We strive to create an ecosystem based on sound monetary policy and all the foundational strength that comes with a sound digital asset.
Some things can't be taught; they just come naturally. We're all born with a distinctive set of talents that are as singular as fingerprints. These are not skills we learn along the way or passions we discover over the years. These are inborn gifts. It's the way your voice sounds, for instance, your athletic prowess or your inner mechanical capability. If you have a dancing skill then you can earn a passive income by showing your dancing skills to a large community and earn reward in shape of our token.

You can earn by making your dance videos and tutorial's and make a channel on our platform. By joining our platform you will be able to show your talent to a large community and entertain them and earn.
SHOWCASE YOUR CREATIVITY
